Helen,

Thanks again for coming in yesterday--I think it was a productive meeting.

After consulting internally, we have identified a list that we created of BLMIS account numbers with various banks. We can apply those search terms across our third party records to get a preliminary idea of what kind of universe of documents that would yield. That way, you don't have to go digging up those numbers yourself.

We will circle back with our results. In the meantime, let me know if you have any questions or would otherwise like to discuss.

Thanks,  
Max
